

Lions of Michigan

District 11 D-2

Judy Keller District Governor

www.Lions11D2.org

Organizational 2024 - 2025 Year Roster

THE GOVERNOR'S OATH

Will you accept the office of District Governor together with the rights, opportunities, and obligations?

Will you uphold the Constitution and Bylaws of Lions Clubs International and the policies of the Board of Directors?

Will you support the Purpose of this organization and the Lions Code of Ethics?

Will you inquire to inspire, lead, and extend the Purpose of Lions Clubs International in your District and in the world?

Governor's Theme

Lions of 11 D2, It is time to Spark Your Passion:

I am honored to be serving as governor during this Lions year and look forward to visiting clubs and meeting the great Lions of 11 D2. We do have important business to get done. President Oliveira's theme is **MAKE YOUR MARK**. Lions make their mark with every service project, an act of kindness or compassion that you do in your community. My governor's pin represents my theme for 2024-25, "**SPARK YOUR PASSION**". Pick what you are passionate about whether it be Hunger, Diabetes, Vision, or one of the other five global causes, and run with it. Organize different service projects that will entice others to join as they watch the fun and benefit of serving others. Showing the community how Lions work together and have fun doing projects will encourage others to join your club and increase our district membership. Director Dave Wineman asked me one day if I knew what the word fun stood for, of course, I had my version, but then he told me what it truly means, **FRIENDLY, UPBEAT, & NICE**. Isn't that what the Lions are all about? When we do service projects that lift spirits or brighten a community, it shows how Lions care about what goes on in their communities. It is up to us to build membership and by building our membership we can do more service projects to help our communities.

It has been a joke with my home club of Ubly that they call me the General. I must admit that at first, I was not crazy about it. I have since decided I might as well embrace it. A general is a person who leads by actions, listens, and works side by side with his troops. I want to be that governor who will work with you on service projects and to help build membership in your clubs.

Service, Membership, Hunger, and Diabetes will be goals that I want to work on for this year. I know our District will step up to increase service projects which in turn will increase membership and we can take on the challenge of Lions 8 Global Causes.

Yours in Lionism,

District Governor Judy Keller

**Melvin Jones Fellowship Award**

The Melvin Jones Fellowship, was created in 1973, takes its name from the founder of Lions Clubs International, Melvin Jones. It is an honor—not an award.

The Melvin Jones Fellowship was established as Lions Clubs International Foundation's (LCIF) highest form of recognition to acknowledge an individual's dedication to humanitarian service. The Melvin Jones Fellowship is the backbone of LCIF, providing 70 percent of its revenues.

A recognition of humanitarian work, a Melvin Jones Fellowship is given to those who give \$1,000 US to LCIF or to people for whom a donation was made by others. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

What do Lions do?

Lions meet the needs of our communities and the world, ranging from assisting the visually impaired and working with local youth to medical missions and disaster relief. (Source: LCI)

International Calendar of Events

Did you know that Lions Clubs International has an annual calendar of events? Check it out by going to the following link: <https://www.lionsclubs.org/en/resources-for-members/lions-events-calendar> or typing the word "CALENDAR" in the search bar at www.lionsclubs.org.

Our District Newsletter can be found at <https://www.11-d2lions.org/index.html> and Facebook Page at <https://www.facebook.com/groups/MI.11D2.Lions/>.

District 11D2 has its own newsletter published monthly. The newsletter is sent via email, the district www.11-d2lions.org website and the Facebook page (see <https://www.facebook.com/groups/MI.11D2.Lions/>). The district newsletter is a great resource for spreading the word about what is happening in your club and announcing upcoming events. It is also a suitable place to share your club resources.

To submit an article for the Newsletter or Facebook page send it to Bruce Bronson (Email: beb-ronson@frontier.com) or the DG. Articles for the newsletter should be in by the 25th of the month. Facebook articles can be submitted at any time.

GET THE WORD OUT!

How to Get Your Event Published

The newsletter has a monthly calendar of events. Submit those directly to the District Editor, Bruce Bronson. To include an event in the next years' roster book, submit the event to Bruce Bronson (bebronson@frontier.com) prior to May 30th. Lions Clubs are encouraged to have their own web, social media pages, and to reach out to local newspapers and radio sources to promote themselves throughout Michigan's Thumb Region.

This organization is one of the best kept secrets. When you meet someone that is not a Lion, they have no idea what we are about. Your humanitarian service in the community is one of the most important news events that people need to know about. This goes for the MY LCI activities reports. Be sure to take the time to report what you are doing. There are clubs in the District that appear to be doing nothing, when they are extremely busy in the community doing wonderful deeds. Reporting is IMPORTANT, so let everyone know what your club is doing; spread the word!

We also have a "Calendar" link on our new 11 D2 webpage (see <https://www.lions11d2.org>) where we can post events. To have your club's activities or events posted there, please contact our webpage administrator Kirk Smith : 367 Constitution Avenue, Marysville, MI 48040
Tel: 810 334 6815 . Email: kmsmith1052@gmail.com

A message from Immediate Past District Governor

James White 2023-2024

Fellow Lions of 11D2

As my term in office has ended, I just look back and am amazed at the Lions I have been able to really get to know and appreciate the tremendous work that you all do in assisting others.

The selfless acts and hours put forward are what makes our Lions Clubs Organization such a treasure for the World. My last challenge to each Lion is to reach out and spread the word that if we want a better Community, State, and World, it is the actions of "One Lion" joining our organization and doing One service, that will create a smile for the Lion and the person in need.

Lion Judy Keller is our new Governor. I am so excited to see what she and her team can accomplish in our district. She has assembled a great group in the cabinet and these people unselfishly serve our district.

Judy is well prepared and is a very organized leader with a big heart. She and her team will assist our clubs to keep 11D2 as a shining star of service in our organization. She will need every Lion and every club's support and I know she will have that support as I know the Lions I have been fortunate to work with are wonderful people 'together we make a difference'

As for my future I will be the LCIF district chair and I will be helping with the Michigan Foundation as well as being a proud member of the Port Huron Host Lions. A lion's work is never done.

Yours in service

Jim White IPDG 11D2

WHAT DO LIONS REALLY DO?

Provide Eyeglasses for Those in Need.

Provide Eye Surgery for Those Who Cannot Afford it.

Provide Guide Dogs for the Blind. (At no cost)

Provide Hearing Dogs for the Deaf. (At no cost)

Provide Hearing Aids for Those Who Are in Need.

Operate Eye and Tissue Banks. (All organs)

Operate Camps for Visually Impaired Children.

Operate the Only School for the Blind with Another Disability

Support Girl and Boy Scout Programs.

Support and Operate a Youth Drug Prevention Program.

Did you know that your Lions Club is required to file IRS Tax Forms? It is true—Lions Clubs do have to file tax returns. If you have not been filing returns, then now is the time to get that turned around. Speak with your Zone, Region, VDG's, or DG; they can help you with the process to move forward

LIONS CODE OF ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down others', to be loyal to my clients or customers and be true to myself. Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always bear in mind my obligation as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticisms and liberal with my praise, to build up and not destroy.

LEO Club Motto

Leadership: LEO members acquire skills as project organizers and motivators of their peers.

Experience: They discovered how teamwork and cooperation can bring about change in their community and the world.

Opportunity: LEOs develop positive traits and receive recognition for their contributions.

Make a Difference: Sponsor a LEO Club

Sponsoring a LEO club provides Lions with opportunities to mentor and empower young leaders while fostering a commitment to community service. Through involvement with a LEO club, Lions can energize and inspire members and even increase the sponsoring club's community exposure, attracting potential members such as young professionals, students, parents, and families.
