DISTRICT GOVERNOR CORNER

Happy New Year! May 2025 bring you good health, love and plenty of laughs with family & friends. May your clubs find new projects, renew past projects to serve your communities and gain new members.

D. G. JUDY KELLER

Governor's Letter

Here is it 2025 and my year as governor is half over. December was a busy month for all of us, and I wasn't able to see any clubs. Will be getting back on track with club visits this month. My goal still is to meet with every club! I will take some traveling but I will be glad to do it. I want to keep encouraging members to keep up with service projects and reporting of them. Right now we are at 98% reporting. Let's make sure to report to reach that 100% of reporting once again.

We have had some clubs that are continuing to grow members, but I am asking for all club to add members to their rosters. I know this can be hard, you think you have asked everyone you know to join and you keep getting no or not at this time. Another reason I have been told many times is "I'm not going to pay a club to do volunteer work". Just remember when you are told that to answer belonging to a club is not only rewarding but you have insurance to cover if anything happens. I know that sounds a little weird but we as Lions are covered with liability insurance. Lions as well as other service clubs need members in order to do the community service that we do. Sometimes we need to think outside the box to bring in members. Maybe hold an open house and serve finger foods. Hold a fun night, bingo or card party. We need to be visible to our communities. If your club wants to grow and you need help, please reach out to me or to our Membership Chair Tim Dietzel at 810-358-7292 and will help in meeting your needs to grow. Remember the more members we have the more service we can do and that brings in more members!

DG Judy Keller

1ST VICE DISTRICT GOVERNOR DAVE FISHER.

Well fellow Lions It's January and half of the Lions year is over, before the year's end we as 11-D-2 Lions have a job to do. Our membership is down as a whole, we need each club to go out and invite a new person to join the Greatest club in the world, just one NEW MEMBER will help.

Many clubs had a very busy Christmas serving the people in and around their communities, SUPER GREAT JOB out there, your care and giving meant a lot to a lot of people, KEEP UP THE GOOD WORK

.1ST VICE DISTRICT GOVERNOR DAVE FISHER

2ND VICE DISTRICT GOVERNOR / MEMBERSHIP CHAIR TIM DIETZEL

Hello fellow Lions Members

I hope this short message finds you all doing well. I cannot believe that it is already January; how the year has gown by! We as service clubs need to remain vigil on membership. We will have some ideas on how to keep members involved with club activities. It is one thing when you're working in a structured environment where someone sets times and duties for you, and another to get members to join an event to help the needy. Lions members have pretty much done everything that is asked of them when a neighbor or community needs help. Members step up and make themselves available. We get it done. New members are valuable to all clubs no matter what size.

Treat members with kindness and compassion.

2ND VICE DISTRICT GOVERNOR/MEMBERSHIP CHAIR TIM DIETZEL

SERVICE CHAIR

We are at 100% service for all clubs in the district. This is a great achievement to give a hand up and help people with their struggles. It is the motto of Lions Clubs International, (WE SERVE) District 11 D-2 is a trend setter in serving. Thanks to great deal of work and persistence from PDG Donald Spinks. Lion Don is not only the cabinet secretary, leadership chair, reading action program chair for the state. He is always helping the clubs with service projects and the district editor with district news.

Believe it or not, all club officers should go to the Lions Club International Portal yearly to take the club officers training. Access the [Lions Learning Center \(LLC\)](#) to complete the following recommended courses: ([Accessing the LLC](#)).

- **Club Officer Training:** This module delivers an introductory overview of club officer roles and responsibilities and club structure
- **Club President Responsibilities:** This module provides basic information and resources necessary to prepare for the club president position
- **Club Secretary Responsibilities:** This module summarizes responsibilities, explains time lines and provides information and resources necessary to prepare for the club secretary position
- **Club Treasurer Responsibilities:** This module provides basic information and resources necessary to prepare for the position of club treasurer

In addition, sharpen your leadership skills in areas such as Goal Setting, Meeting Management, Conflict Resolution, and Effective Listening. Browse the LLC content library for these and other courses. I have been told, why should I take club officer training? I have been a secretary, treasurer or club president for years. Well, the first thing I ask, how are you doing with the Lions Portal? Funny that I do not get an answer. Things do change for all club officers. It may not be yearly, but you do need to check out the training that is offered to all Lions. This can definitely improve you and your meetings? I urge all Lions to go to the Portal and check out the Lions Learning Center, you just may be surprised. Need help, I am just an email or phone call away. Come on, give it a try and let me know.

Lions of Michigan Foundation

Clubs will soon receive (or already have) Lions of Michigan Service Foundation Sight and Hearing Sweepstakes Raffle tickets to sell. There will be ten (10) winners with prizes ranging from \$5,000 to \$1,000. Additionally there will be four (4) winning ticket sellers with prizes of \$1,000 to \$100. This is the 39th Annual Sight & Hearing Sweepstakes Raffle. Proceeds will benefit: R. Mathog Hearing Centers, Project KidSight, Eye Care Assistance Program, and the Affordable Hearing Aid Program. Clubs selling 30 – 99 tickets receive \$3.50 back per ticket sold, those selling 100 – 249 tickets receive \$5.00 per ticket, and clubs selling 250+ tickets receive \$5.50 per ticket sold.

Please make an effort to support this (YOUR) fine organization.

Reading Action Program (RAP)

Education and literacy are key to overcoming poverty, disease and other social issues. Yet today, nearly one billion people worldwide are illiterate.

New access to digital information has the power to change lives and make communities stronger, but according to the Gates Foundation, nearly 5 billion people - almost 90% of the world's population - do not have Internet access.

793 million people cannot read these words

(UNESCO)

1 in 6 people do not have access to the Internet

**“The more you read, the more things you’ll know.
The more that you learn, the more places you’ll go.”**

Dr. Seuss, author of children’s books

Take Action

Join Lions from around the world to implement reading and education projects and help increase literacy rates. Whether it’s organizing a community spelling contest or donating books or computers to your local library or school, take part in a hands-on project and show the impact of Lions work.

Project Ideas

Whether you are an educator with a passion to help a child learn how to read, an entrepreneur ready to help develop a community-based literacy program, an information technology expert who can help introduce new technology to the visually impaired, or someone who simply enjoys reading to a child, no effort is too small to make a big difference. The following are a few project ideas that your club and district may consider taking on:

- Help an after school reading program
- Read to children at local libraries or schools
- Work with local literacy experts and agencies to promote reading
- Read or record books on tape for the blind and visually impaired
- Provide Internet connection for a school or library

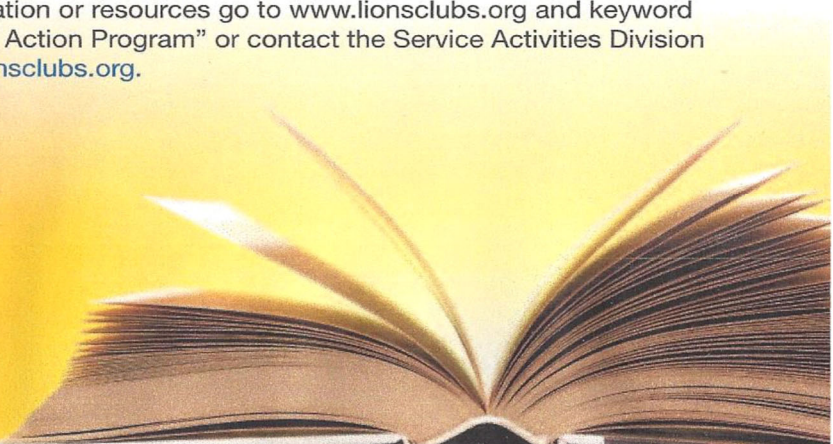

Sharing Success

Encourage clubs to report their projects. Share your project with us online! Log on to MyLCI and tell us about your literacy project. You can submit your stories and images. Your story might be featured in any number of future Lions Clubs International materials – including our blog and our social media websites.

Resources

A number of RAP resources including a planning guide and project idea sheet are available. Artwork is also available on the LCI web site that clubs can download to create RAP-related materials.

For more information or resources go to www.lionsclubs.org and keyword search “Reading Action Program” or contact the Service Activities Division at programs@lionsclubs.org.

Dear Lions and Leos,

Since 2024 began, Lions and Leos worldwide have served millions of people, improving lives and communities because of your generosity. LCIF grant funding reduced food insecurity for those in need, helped people with vision impairment see more clearly, provided shelter after storms, protected our fragile environment and so much more.

I am pleased to report that we are making excellent strides towards reaching our fundraising goals for this fiscal year, thanks to your individual gifts and efforts to share the importance of our foundation with others. While there is much work to be done, the donations we have received to date are already making a tremendous impact in communities worldwide.

As we look forward to 2025, I ask you to continue encouraging your fellow Lions and Leos to support LCIF and explore grant opportunities to enhance their service. Remember that you play an important role in helping our organization succeed in MISSION 1.5, bringing more members to join us in our humanitarian mission and serve more people when they need us most. Working together, we will exceed our goals.

EMMETT LIONS CLUB

Emmett Lions mourn the loss of a great Lion John Cowan died Saturday morning October 26. John joined the Emmett Lions in March of 1976. He was an outstanding member of the Emmett Lions for 48 1/2 years. Lion John served as the District Cabinet Secretary/Treasurer 2008/2009 and then as Cabinet Secretary in 2011/2012 lion year. Lion John was the Secretary of the Emmett Lions for 45 years. Lion John was always at the front and center on club projects. Also, was a regular at the Bear Lake Spring clean-up and fix-up initiative. One thing that was true about Lion John Cowan; he was a lion role model.

ALMONT LIONS CLUB

Sad news Thomas “Tom” Lupo, age 81, of Imlay City, MI, has died Tuesday, December 31, 2024 at McLaren Flint Region Medical Center. Thomas James Lupo was born December 2, 1943 in Detroit, MI. He is the son of the late Thomas and the late Annette Lupo. Tom grew up in Clawson, MI. He was a graduate of Clawson High School, Class of 1962. He married Mary Jane “Janie” Ferguson on March 26, 1971 at Troy, Michigan. He was employed as a Lineman by AT & T (formerly Bell Telephone) for 30+ years before retiring. Tom was very active in the Almont and Imlay City Lions Clubs and held various positions through the years: President, Secretary, Treasurer, and Zone Chairman. He was also very engaged in the community: an Imlay City Community School Board Member, Attica Township Volunteer Firefighter, and the Attica Township Supervisor for 12+ years. Tom was also a Property Tax Assessor for Burnside and Flynn Townships since 1995. When his children were younger, he was a Little League Baseball Coach and started the AYSO (American Youth Soccer Organization) in the Imlay City, MI area.

PORT HURON HOST LIONS CLUB

The Port Huron Host Lions are volunteering at Mid-City Nutrition on the first Saturday of the month. They're prepping and serving meals to about 200 folks in need. And Mid-City does this EVERY DAY!.

Lions pictured below were, Lions Steve Shultz, Resa Wickings, Dana Deming, Maryann Hunter, (New member) Ed Montalvo, and Fort Gratiot Lion William Jett.

METAMORA LIONS CLUBS

Metamora was going to do the highway cleanup to get a sign put on 24 but they did not offer it near Metamora. I talked to the guy and he sent me all the stretches of road. There are available for every one of our counties.

I've also enclosed the sign-up sheet and some basic rules. Basically, if you agree to clean up the area three times a year, they will put a sign on the road with the lions clubs name on it saying that they sponsored that stretch of roadway.

The following is a basic outline of the program (I left the 2024 pick-up dates in there so you have an idea of when they will be in 2025):

1. Groups pick up litter on both directions of their adopted roadway, including any ramps. Pickup in medians of divided roadways is not permitted. Pickup within construction zones is not permitted.
2. Groups should have a minimum of 3 people. Participants must be at least 12 years old. Participants under the age of 18 years old must have adult supervision at a rate of 1 adult to every 3 children.
3. There is no cost to participate. MDOT will supply safety information, safety vests and trash bags. MDOT will also install two Adopt-A-Highway signs bearing your group's name on the roadway adopted.
4. Groups must commit to a minimum of 2 years and your commitment period is open-ended; you will remain in the program until you voluntarily withdraw or fail to abide by the permit conditions.
5. Groups can join any time of year and litter pick up is done 3 times per year in spring, summer and fall.
6. MDOT picks up the accumulated trash bags following the designated pickup dates.
7. The 2024 pickup dates are:

2025 PICKUP DATES WILL BE POSTED THIS WINTER AT SOME POINT)

- September 21th – 29st Statewide

Additional information can be found on the application and on MDOT's Adopt-A-Highway website www.michigan.gov/adoptahighway

MEMPHIS LIONS CLUBS

Memphis Lions hosted a senior dinner with Memphis Leos working the dinner. Fifty three seniors and ten Leos members of the Memphis choir and director sang a selection of Christmas songs to start the day, followed by a dinner and bingo. Christmas cheer was in the air! This was a very successful event. Seniors had a great time and the Leos were relating.

Memphis Lions wants to thank the district for their help.

MEMPHIS LIONS CLUBS

Memphis Lions Clubs giving back to the community. This has been a yearly project for the Christmas holidays. The club has done this since the early 1960's. There are always people in need and the Lions are there to help. This year there were many stressed families in the community. The Lions with the help of the Boy Scout troop and the Leo club came through. This year we had eight families that we provided for at Thanksgiving holiday. Several Lions members made this possible. Some that are not active came to help with the annual tradition.

UBLY LIONS CLUB

In December our club with help from the Knights of Columbus of Ugly-Sheridan adopted a family with four kids. We bought and wrapped clothes and toys for the kids. The Knights added a generous amount of groceries for this family. It is a warm feeling to be able to help those in need.

MEMPHIS LIONS CLUBS

This is Raider! Raider (Hazel/Manu) was raised in a correctional facility. He was recently career changed and is now serving an important role as a comfort dog for the Royal Oak Police Department. He is such a dashing fellow and appears very professional in his new bandana! His raisers are overjoyed to learn that he will play a significant part in the lives of others.

ROYAL OAK POLICE DEPARTMENT We are pleased to introduce our newest hire and first department comfort dog, "Raider". Raider is a 19-month-old, 60-pound black Labrador Retriever that came to us as a "career change" dog. Law enforcement comfort dogs provide agencies with a trained dog which can be used for a multitude of purposes, including support of community members who have experienced a traumatic event, community engagement, and support for departmental employees.

While comfort dogs are well established with law enforcement agencies throughout Metro Detroit, comfort dog Raider is the first career change to be used in this capacity. Career change dogs are highly trained, in demand dogs that may not be

an ideal candidate as a service dog, yet still are well-suited to step into alternative careers to continue their training in service, detection, veteran, and court advocacy dog organizations.

Raider will work alongside Sgt. Ryan Spangler and live with his family at their home. Like all new hires, Raider is currently undergoing his own version of "field training", and we look forward to introducing him to the community upon completion of this training in the very near future.

READING ACTION PLAN

How Long Do You Want to Live? This is the question for this month.

People who make time for reading may enjoy a longer life, which they can use to do even more reading. A Yale University study discovered that book readers were 20% less likely to die over the 12 years of research compared to non-book readers. This study indicated that books were more beneficial for longevity than magazines and newspapers. For me, I would like to live as long as possible. I have found that reading a book will take me to more places of adventure. Compared to just reading news articles or magazines may not have the same effect on you. Quick read articles seem to not have that long lasting impression on you as compared to a book. The holidays are fast approaching us and our minds will be going in a million directions. Settle the mind down and enjoy total body comfort with an interesting book. There are a lot of books with adventures in Thanksgiving and Christmas. Come on now, give it a try.
